Notes:

1. Enrollment data is reported by carriers to Arkansas Insurance Department.
2. "Enrollment" represents the number of unique individuals who have selected or have been automatically reenrolled into a 2020 Marketplace medical plan. Individuals who have cancelled or terminated their Marketplace plans are not included. Data on enrollees' prior insurance status is not available.
3. Cancellations could be due to switching to employer-based insurance, the Health Care Independence Program, Medicaid, Medicare, another insurance company plan, or due to non-payment or moving out of state.
4. "Uninsured" represents the estimated number of uninsured residents below 65 years of age and above 138% of the Federal Poverty Level after adjusting the US Census 2018 Small Area Health Insurance Uninsured numbers with the aggregated ACA marketplace insured count as of 12/15/2018 reported to AID by the carriers. See <http://rhld.insurance.arkansas.gov/f/AHCD018.pdf> for details
5. The percentages reflect the estimated share of the uninsured now covered through enrollment in plan year 2020.
